

Proposed Timeline and Actions

Fiji's National Carbon Market Strategy Roadmap

Second National Consultation Workshop
*Ranjila Singh, Climate Change Mitigation Specialist,
Climate Change Division, Office of the Prime Minister*

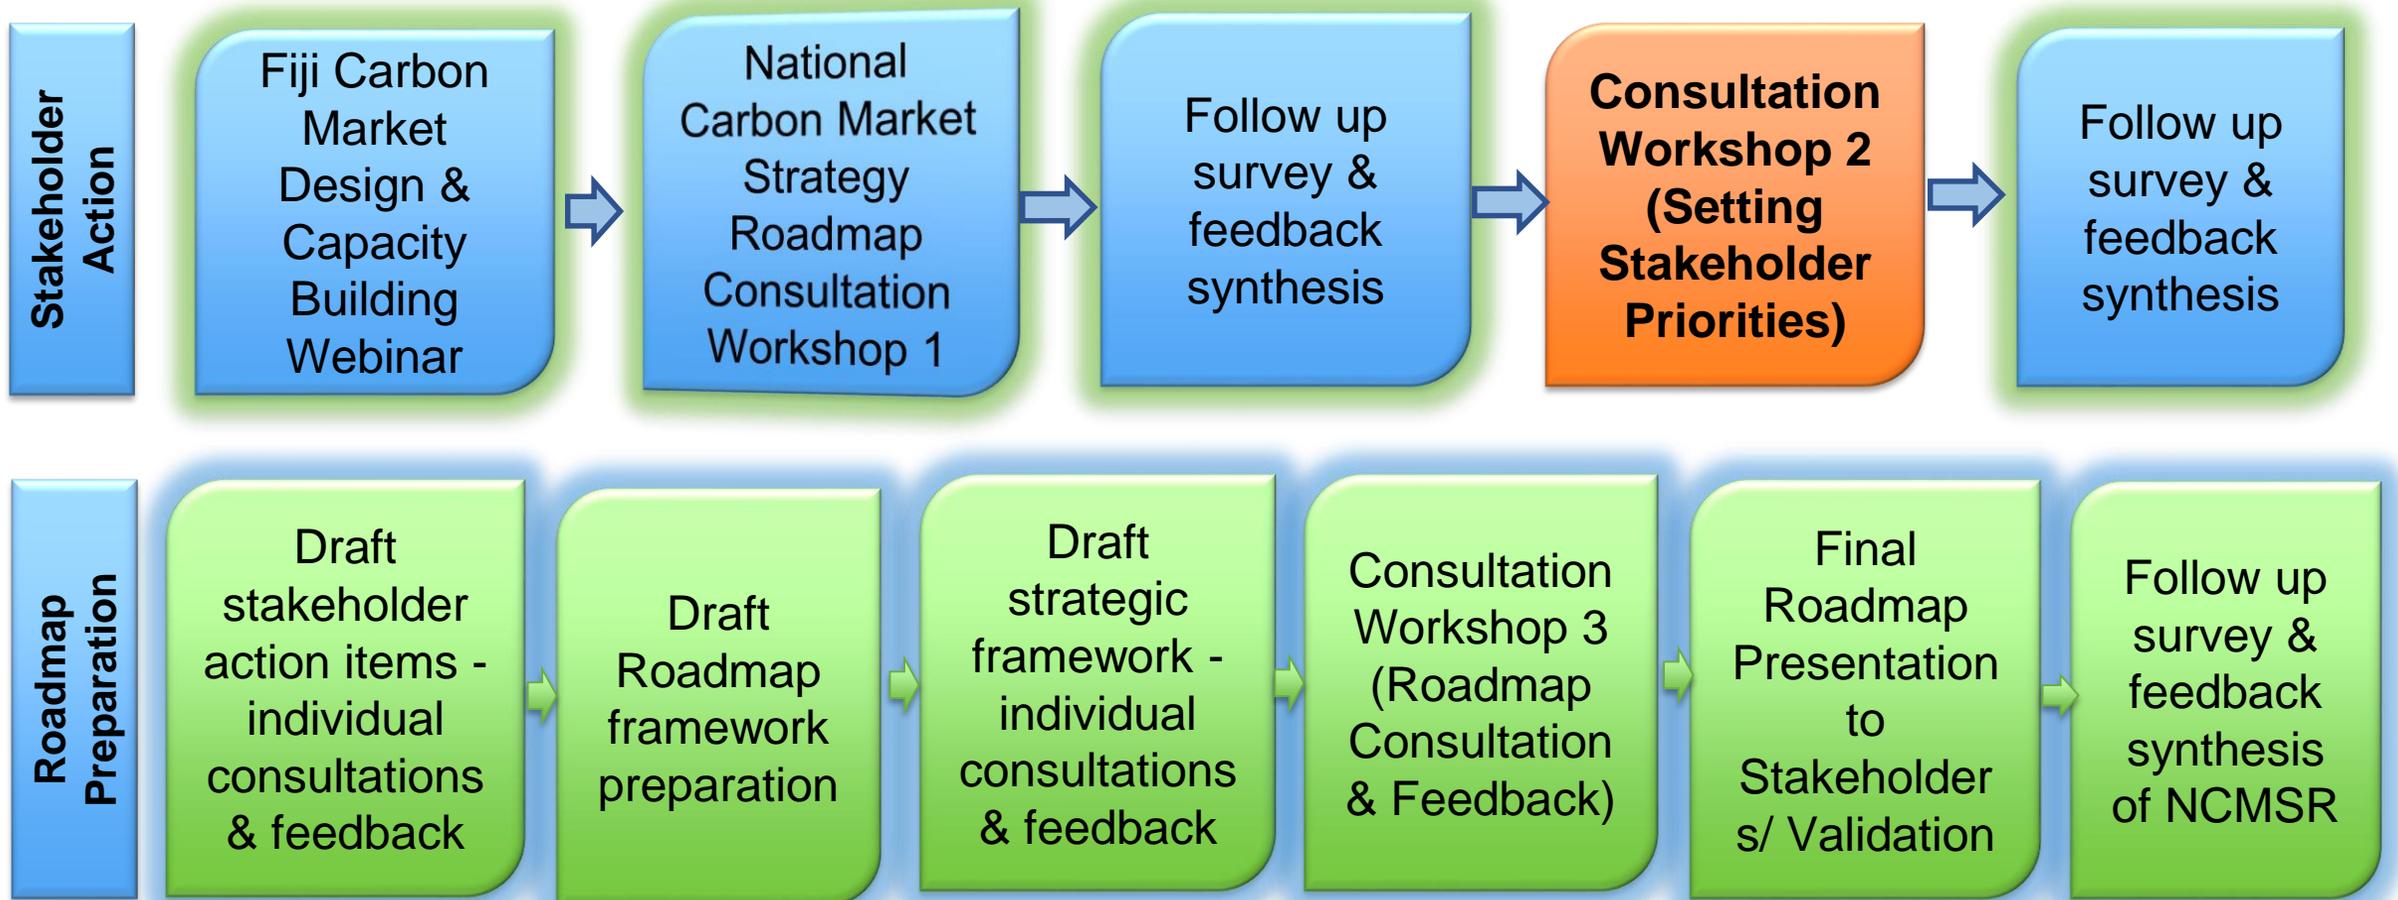

Outline:

- *Timeline*
- *Actions Items of the NCMSR*
- *Relevant Projects in Progress*

Roadmap Development Process:

Preliminary Scoping and Planning for the Roadmap

Action Items of the NCMSR

- *To support national strategy and engagement with carbon markets the ‘direction’ of the roadmap will be established through agreement on basic principles to guide Fiji’s approach and strategy.*
- *Consideration of Engagement Options and Partnerships- voluntary and compliance-based carbon market arrangements.*
- *Evaluating Trade Offs: NDC Achievement, Pricing and Feasibility.*
- *Setting Capacity Building Priorities.*

Relevant Projects in Progress

- *Carbon Budget.*
- *Biennial Update Report-National Inventory Report.*
- *Fiji Capacity Building Initiative for Transparency.*
- *Climate Change Act-Part 10 Regulations.*
- *Next NDC Update.*

Thank you
